Mission

The Mission of the VCC is to determine the best way to provide information to residents and other interested parties in a timely, cost-effective manner. The Committee works to fulfill that mission through:

- Improving the overall communication of news, events and life within the Village.
- Developing an on-going communication strategy for the newsletter, weekly email, website, gate signs and other communication vehicles as needed.
- Linking the sources of communication within the Village – CPHA, Metro District, sub-associations and others as appropriate to help create a greater sense of community.

The Village Reporter

2023 marked the 20th year of publication of the bi-monthly newsletter, the Village Reporter (VR). The Homes Association and the Metro District jointly fund the production and mailing of the Village Reporter. VR staff members in 2023 included Beth Westberg, Linda Battin, Maureen Kowalsky, Joyce Paloma, Wendy Ingraham, Cynthia Kristensen, Terry Kowalsky, Sue Manz, Linda Matthews, Mark Larson, Steve Camino, Matt Wortsman and Rosemary Nigh.
